

Lodi Curling Club

September 9, 2009

Dear Curlers & non-curler friends,

We would like to host an open Bonspiel "**Curl to End Cancer**". The Bonspiel will be in memory of family and/or friends that were members of our club who have died of cancer. The date of this spiel will be **Nov. 20 (Fri.) & Nov. 21 (Sat.)** with the spiel running 4-end games, 16 team limit, and brooms will be provided by the club, entry fee \$100.00/team. A team will consist of two experienced and two new curlers, age limit a minimum of 12 years old.

We currently have seven families who have generously offered to sponsor a **Prize Basket** in memory of their loved one. **Prize Baskets** are welcomed from other families who have lost a curler to cancer. If you would like to contribute to a **Prize Basket** already formed, please contact the captain/sponsor.

Below is a list of Family Prize Basket Sponsors:

Joyce Dolson	captain/sponsor: Theresa Dolson	592-7801
Lori Cook Lloyd	captain/sponsor: Tykie Wescott	444-4320
Linda Hohlstein	captain/sponsor: Fred Hohlstein	592-3787
Suzanne Weber Klopp	captain/sponsor: Jane Geeslin	347-2456

Bob & Laurie Reese	captain/sponsor: Ron Reese	592-3547

We will sell **Prize Basket** raffle tickets at the Chili Feed and the Spiel, so we need to know as soon as possible what your **Prize Basket** will include prior to the Chili Feed. The money raised for each **Prize Basket** will go towards a charity of the family's choice.

Prior to the "**Curl to End Cancer**" spiel we are planning a "**Chili Feed**", **Oct. 28 (Wed.), 4:00-7:30 p.m.** at the Lodi Curling Club. **Prices:** Adults/\$5.00 & nonperishable item for the local food pantry, Children under age 12/\$4.00 & nonperishable item for the local food pantry, & Children under age 5 will be free with a nonperishable item for the local food pantry.

In addition it is our intent to promote & recruit new members interested in curling. Another idea is to have a ladies Wednesday night 5:00 draw, 6 or 8-end games. We hope again that members and friends will donate towards the events. We will be contacting you at a later date for donations for the Chili Feed.

Most of us have been touched by cancer in some way and your support will be greatly appreciated. If you have any questions please contact:
