

2026 Winter Olympics Curling Schedule

The Portage Curling Club is excited to share the 2026 Olympic Curling Schedule and invite everyone to enjoy the Winter Olympic curling games with fellow curlers and fans!

The club will be watching the games during league play and weekend bonspiels. We also welcome the public to stop by the club to catch a game—both on the ice and on TV.

Olympic curling events will be streamed live on Peacock, featuring dedicated feeds for every sheet of ice. Select live matches will also be televised on CNBC, USA Network, and NBCSN, with coverage prioritizing Team USA and the playoff rounds.

Good curling, everyone!
